The Premises:

Close to Anerley station. Safe, clean basement flat with front and discrete rear entrances. Lounge with TV and video available. Friendly maid offers drinks before and after. New red curtains and carpet plus the circular bed and mirror wall add zest to the bedroom experience.

The Lady:

Nina has long blond hair and a beautiful face, sparkling eyes and a happy, beaming smile. Probably in her later 20's, Nina has remained unchanged from my earlier visits. Her lightly tanned body can only be described as voluptuous, with large firm boobs whose rising nipples soon disclose her enjoyment of her work. A slight accent adds to her sexiness, as does her playful responsiveness to any approach.

The Story:

Greeted with smiles, cuddles, intense French kissing and lots of fondling in all the right places, I was soon into my usual choice of the House Special. Mutual undressing in front of the mirror wall led to more sexy action in the shower with intense kissing and fondling throughout - a great hors d'oeuvre for the rest of my visit. Nina has a wonderful sense of humour and great technique for keeping you on the brink. Needless to say the sex was well up to Nina's high standards. A great GFE, with me departing a very happy man.
