The Premises:

A very well appointed apartment situated above the Eden Centre in the Centre of High Wycombe. It is a nice area and the flat was kept immaculately clean. Also, I felt safe and secure

The Lady:

A quote from her webpage

"Jenny is a stunning tall slim leggy Danish brunette, with beautiful deep brown eyes and sensual lips. this lady is warm and sexy with a hint of innocence a true must to see"

This is completely accurate, as soon as I saw her I was bewitched by here appearance. She is to say the least photographic model material, and has the "WOW" factor

The Story:

I like a woman to want to kiss passionately and give and enjoy the girlfriend experience. I had no worries, for this girl kisses superbly, consequently I went rock hard!

She kissed everywhere (within reason :)) before going down and sucking and liking my cock. This was done sensually, slowly, and skilfully, (almost artistically). I was near climaxing and had to instruct her to slow down.

As for the fuck, usual positions, riding cowgirl, reverse cowgirl, doggy. Finally, for coming I chose my favourite, missionary position. I asked her to look at me whilst I came which she did. In summary I wonderful and satisfying experience. I would certainly see her again.
