The Premises:

Lucy's house is in a quiet residential area, easy to park and has a discreet entrance. This was my second visit and the house is always clean and tidy

The Lady:

Lucy is in one word "oustanding" she has a great slim figure, smooth soft skin, great perky nipples long black hair and sexy brown eyes that you can get lost in for weeks.

The Story:

Lucy is the total GFE experience, she is so attentive to you and has an outstnading personality which really gives you that feeling of being special, there is always lots of touching and kissing and she really does give the impression that she loves every second that you are together. I always leave with my mind blown for the experience and a smile that last for days. This girl is amazing ! simples :D)
