### The Premises:

A quiet flat in the town centre with an off street car park about 200 yards away. Discreet entrance

### The Lady:

WOW! A bundle of sexual energy, the like of which I have never met in over 30 years of punting. Short, attractive, lovely face, great figure, horny and adventurous.

### The Story:

I joined Louise in her wonderful shower as seen in her picture on Another Website. Then into the bedroom, for an hour plus of exhausting sex in every conceivable position. Despite her petite size, Louise was able, and indeed very willing, to accept a fisting. A first for me.

Will I be back? Is the pope a Christian?
