The Lady:

Tall, curvy, long hair, natural breasts, ace nipples, lovely bum. Late 30s to early 40s. Came dressed as secretary with stockings and suspenders. Very smart, looked the part. Her website says she's never late but the tube got her this time. Easily forgiven. Australian accent.

The Story:

This lady is a trained masseuse, so I enjoyed a good back massage before getting a brilliant oral. She likes to talk but her mouth is built for better things. While attending to this, she swung her breasts so I got nipples on thighs, which pleased us both. Moved on to cow girl and I was very happy.

I liked Angie's company very much, and I would recommend her as someone who really enjoys her work.
