### The Premises:

Discreet flat above a parade of shops on the Brighton Road. Close to bus stop and about 10 minutes walk from South Croydon station. The flat is basically furnished, but clean enough and the room has an en-suite bathroom with working shower. This parlour has been around for about a year. Used to be run by the fabulous Nancy and, later, the beautiful Annie. The girls are almost always very friendly.

### The Lady:

Thai, late twenties, possibly early thirties, shoulder-length dark hair, strong features. Very good body, athletic but curvy with enhanced but modest breasts. The boob job was subtle - which I like!

### The Story:

Mina was a little quiet at first, but after delivering a good massage she turned me over for excellent body-to-body massage, really grinds her crotch on your hips and legs and encouraged me to suck her big nipples. Had covered O and went down on her for a while. The view is great when she's on her back: great thighs and stomach and those hard tits standing to attention. I had her on all fours for a while, which was good, but finished with good, hard, missionary fuck and her really grinding her pussy on me. Very good indeed.
