### The Lady:

Abbey Brooks, pornstar from the US. Very pretty, nice long blonde hair. Nice breasts, a little thick. She's put on some weight in the last few years. Not a major deal breaker. Best way to describe her is very cute.

### The Story:

I asked the agency to have her arrive in casual attire, and she did. I wasn't too worried about what she was going to be wearing to start the show.

When we hit the bedroom, things went very well. She is a pornstar, but came accross as a GFE. Started with some great kissing, tongue and all. Clothes off and on to the action. Lovely OWO from her. She allowed reverse oral until she came. This was followed by some great sex in a variety of positions. She is a bit on the loud side, but that made the experience all the more memorable. After some great rolling around, I came all over her back. I had requested a facial, but she declined. Still, it is always great to shag a pornstar whose films you love.

Overall, a great experience. She's fun, warm and easy to talk to. She doesn't have the worlds greatest body, but I'll give her a 6.5/10 for her figure, 8.5 for her face, but a 10/10 for her sexual drive and overall experience. She's the kind of girl you'll love to be inside.

I've ticked the no box for would I see her again. Photogirls has so many pornstars that I want to see as many as I can, so don't take that tick as a negative. Abbey was an amazing punt, and I would see her again if she didn't cost 450 an hour. There's just too much talent out there to see her again.
