The Premises:

Easy to find, reasonably good terraced house. Clean flat and bathroom. Safe enough...not sure about after dark. Just off main road. Voucher parking nearby so much cheaper and easier than Central London.

The Lady:

Romanian - not my nationality of choice - Not exactly as described on the purple banner site, she advertises at 34D - more 34B - but a lovely figure, arse to die for not a inch of flab, yet not skinny!

The Story:

Asked for and accepted shower. She was a bit too keen to strip. Nosh was restricted as she didnt go all the way down on you. Dinner at the Y - yummie...think she enjoyed it too or faked a very good climax.

Pounded her nicely and settled back for chit chat. Pleasant sincere girl. Decided to have a quickie second pop and emptied again. No FK or CIM as advertised, so avoid if essential, but a nice way to spend an hour at the end of a busy week - you could do a lot worse. Maybe 7.5 to 8 out of 10
