The Story:

AVOID!!!

Avoid at all costs!!! This is a bait-and-switch scam.

The lady advertises on the other site as offering enthusiastic OWO and CIM, but on arrival (and after having handed over funds, of course) I was told (a) that this is not on offer, (b) she is NOT the lady advertising services but a stand-in, and (c) she had just 'been to the the dentist' - that old story - and so could not possibly provide the advertised services.

As regards (b), I couldn't really tell from the photos whether it was a different lady, quite possible, but then they should have said when I called and asked for Angel?

All this in the first two minutes, before any action had commenced. I hate being scammed or lied to and out of principle rose to leave, but on asking for my money back, she only gave me ?80 and refused to hand over the rest.

Avoid - there are better ways for you to spend your hard earned cash. There are cute girls out there who'll do a great job, at a fair price, and with a smile on their faces. These folks don't deserve your business.

AVOID!!!
