The Lady:

Jasmine is a sexy slim Indian girl originally from the West Mids. Lovely pert little boobs, gorgeous peachy bum and nice flowing dark hair and a friendly manner. This time she was in a blue basque and stockings...mmm!

The Story:

Second time to see Jasmine, she's a popular one here when she works.

Decided on the bargain 35 notes quickie. Jasmine straddled my back and gave me a good massage for five minutes before flipping me over and doing a very sexy job on my cock, building up to her exquisite O (with). She has a great technique working the whole member.

After getting me twitching she says in her sexy innocent way "where do you want me" and this time I decide to have her on top. On a previous visit I had gone at her from behind, but today was feeling a bit lazy and wanted her to bounce me to completion which she did, moaning very effectively and getting really passionate with her shagging.

Not long before I squirted my tiddlers in the sheath and she squeezed away with her lovely tight pussy until my hardness subsided.

Jasmine is a lovely girl, treat well and with respect and she will make sure you have a fabulous time.
