The Premises:

Discreet flat, in a nice area. Very clean and tidy. There is an ensuite bathroom, very modern with all the expected facilities.

Felt comfortable and safe.

The Lady:

I would say GiGi is in her early to mid twenties. She is oriental with a great figure. She has long dark hair and stands around 5ft 5.

Her breasts are of a good size considering she is oriental.

She was wearing long black boots, with black underwear...looked great.

The Story:

After getting the formalities out the way, GiGi treated me too a full body massage which was very relaxing, before without asking she began massaging my ever growing manhood. A great blowjob quickly followed before she mounted me and began riding me.

I then asked her to get on all 4's and began fucking her doggy style. This was great and I eventually reached the point of no return.

Afterwards we talked for 5 or so mins.

All round an fantastic 30 mins
