The Story:

I had a pretty bad punt a few days before so needed a bit of quality. And after seeing both Rebecca and Holly on their own i decided to save up enough money to treat myself for two hours with both of them! What a treat. On arrival it was very much the same as seeing each of them before. I was offered a shower and i variety of drinks.

After sorting out of money i was offered a massage by the these two lovely ladies. How could i refuse? Then to the really fun stuff

The girls are obviously into each other and if they weren't kissing me they were kissing each other. I felt myself getting excited very quickly so asked if i could just watch them kiss fondle and finger each other for fear that if they touched me it would be over too quickly. Holly suggested sitting on my face while Rebecca gave me a blow job and before i knew it she then put a condom on and proceeded to ride me complaining that Holly was getting all the fun. This was my first threesome and the idea that i was even capable of pleasuring two women at the same time was the most wonderful experience. So wonderful i shot my load.

We chatted for a while, drank some wine, while allowing me to recuperate. I watched the girls play with each other some more before i felt myself coming back to life. This was then helped by Holly and Rebecca licking my balls and sucking me off. We then assumed the position of what the girls liked to call the "train" Where i fucked Rebecca from behind and she proceeded to lick out Holly.

Wow. After some intercourse with Rebecca i asked if i could also fuck Holly. The girls obliged and switched so that i was on top of Holly while watching Rebecca kiss and stroke her friend.

After cuming again i confessed it was doubtful i would be able to cum again. I was offered a shower which i accepted and left a very happy man.
