The Story:

Emma is one of the most attractive ladies I have ever met and has the best body with an all over tan line, bar a bikini line,

that I have ever had the pleasure to kiss, cuddle and lick.

She is doing this to raise money to go travelling and I would encourage you to help her in this aim, though of course, this will

mean she will no longer be around!

She has the neatest and sweetest none shaven pussy that I have ever had the pleasure to lick, kiss and finger.

After our brief meeting, we chatted about a number of things and I told her that she ticked all the boxes for what I and many

men are looking for: honest, accurate descriptions of her services, reliable, bubbly, fun and a cracking lass.

She offers and delivered reverse O, owo, cim and french kissing.

I won't go into too much detail, leaving that until next time, suffice to say my requests for the above services were met 110%

with the small exception of me coming unexpectedly when she was wanking me, giving her insufficient time to pop me into her

mouth.

I wish I could describe what she was wearing and the colour of her eyes, but all I can recall is that glorious non shaven pussy

with small lips and the sweet, sweet, taste.

Go see her and add to her travelling fund!
