The Story:

I was met at the door by this lovely lady dressed in red bra and thong and red boots. Her warm welcoming snog had me getting hard immediately, and we soon ended up in her bedroom where we continued to kiss as I eased her gorgeous breasts out oh her bra. This lady has fantastic hard nipples, which were extremely sensitive to my touch and tongue. She returned the compliment by easing my cock out and sucking deliciously. After a 69, and her pussy tasted wonderful I was close to bursting which I did. We chatted a while and her Tongue and fingers got me very hard again. She rode me, then I climbed on top, followed by a little doggy. Ladyt was moaning deliciously squirting over my cock as we fucked. Feeling me getting close she laid back as I climbed on top, her pussy still tight as we fucked and aquifers more. What a great experience thank you lady, and I am definitely going to book you again, maybe with your duo friend Chloe too
