Serviced apartment in central Glasgow - easy to find, entrance on fairly busy street, but no concerns.

### The Lady:

Late 20s, 5'5"-ish brunette, blue eyes, very attractive with a lovely, curvy size 10 F-cup (enhanced, and very nicely) figure. Immaculately dressed, and looked a real treat.

### The Story:

Had attempted to meet Lauren on a previous Glasgow tour, but it didn't happen (through no fault of hers). Had some contact with her before this meeting by e-mail and phone, so had a good idea of her friendly nature and good humour.

However, I wasn't prepared for being so blown away by Lauren when I actually had the pleasure of meeting her. She is gorgeous, with a fantastic body and lovely smooth skin. Combining her warm caring nature with her physical attributes, fantastic oral skills and very sexy nature made for a very pleasurable couple of hours. She is also a wonderful kisser, and being inside her was heaven.

The physical side of the meeting was one aspect, but Lauren is also great company, warm and caring, very easy to get on with and talk to, so even just lying chatting and stroking each other was a delight.

I know the subject is very personal, and perfection is quite a label to put on anyone, but I can't think of any way in which Lauren could have made the time I spent with her any more enjoyable. She made it feel more like being with a passionate lover than someone I had just met for the first time.

I hope Lauren returns to Glasgow soon. If she doesn't, I will just have to make an excuse to visit Manchester!
