The Lady:

Polish girl, about 23 years old, dark hair, 5'2" and size 14 maybe.

The Story:

I tried to book her friend but she wasn't working and offered to arrange some time with Katie, so this was a bit of a 'blind date'. Katie was a bit bigger than I normally go for, but she had such a cute face I was instantly attracted to her. She said she was new to this, having just started that week.

As she was Polish I expected a really good GFE and I wasn't disappointed. Katie likes to kiss and doesn't have any problem with you exploring her body. I opted for covered oral and only managed a couple of positions after that, but it was worth it.

Touch wood, I've never had a bad experience with a Polish girl and Katie did not let the side down at all.
