The Story:

I was making a revisit and went in the wrong door again which was the salon. Soon as I came in the right one 3 girls lined up and a madam asked which I wanted. 2 of them are new I never seen them before. I was like "wtf, better service now? I've just been there a few months ago." The girl asked if I wanted more for 10 pounds extra. I said of course, normal massage through, no rush happy ending as usual with a lots of touchings, and sucked me a bit during the hand job as well. what a happy day. the only down point is they should have a door bell for massage rooms in upstairs only!
