The Premises:

South Kensington is quite an awe inspiring area that is totally stunning if your not used to such overwhelming architecture. divine is situated on a fairly quiet part although the nearby roadworks can be a bit annoying if approaching from one end of the road.

The Lady:

Pure sex in a 5 6 frame.

These are the words i'd use to describe the foxy sabrina. our latest encounter was one that i will remember for a while even if further visits deem to be racier.

The Story:

Due to the long commute i take when visiting Divine I sometimes get there feeling stressed & anxious, this all goes away when the lovely Rhianna opens the door and greets me with an adequately warm welcome.

On this occasion she did just that and it felt like many of my worries had just lifted from my shoulders.

She takes me to the en suite room that is very well furnished with a workable king size bed, a full length mirror for those who like to perform in 3D and various other nice touches that compliment the whole Divine experience. In the corner of the room a door leads to a bathroom where you can freshen up before or after your visit.

My wait for Sabrina was not long, and when she entered the room I was spellbound. yeah I've seen Sabrina before, yeah I've seen Sabrinas pictures but today she was looking more stunning than ever. her short jet black slightly cropped hair shimmering in the light and honest blue eyes gives her this sexy, really attractive look. When looking at her sculpted physique the intensity of various love making positions spring to mind (and lower body) initiating arousal. Further to my previous observations South Kensington really does have some breathtaking sights.

Due to the duration of the punt we got straight into the action which I was happy to do. Now I've had some enjoyable felatio in my time but this was truly memorable. Sabrina is skilled, I'm sure she could even raise the titanic. A rhythmic up and down motion, not too messy and not too timid. wow. I was ready to enter her, she was still sucking.

She came up for air asked which position I wanted, being the sexual enthusiast I am I felt like

reversing the question and asking her that very same thing but thought not to be rude. just let her run the show and run the show is waht she did. lets just say my standing ovation inspired her energetic encore. She got on top and worked it. I felt like a space hopper as she rode me being very vocal in letting me know her enjoyment. we swapped positions, now with me on top. I pummelled, I writhed, I stroked, I gyrated and Sabrina responded in ways that made me want to come all over her breasts and then melt & fall into some enjoyable deep sleep reminiscent of my infant years.

Damn. she is a good f**k. to finish this trilateral sexcapade she assumed the position and doggy style was in full effect. wow ... what a shag. i started slow then after picking up some rhythm the applause started, (you know that slapping sound when your pelvis hits her behind in each stroke). This movement created a ripple effect through time & space causing me to actually get younger as I could not find one grey hair when before this encounter I had several. ha ha sorry Im getting carried away but I'm just emphasizing the fun that is to be had when booking the beautiful Sabrina. Well worth it. Sabrina u get a 4 star rating MWAH!!
