The Premises:

This is a basement flat off of the Edgware Road. The bedroom was extremely hot and there was a mattress on the floor which did nothing for my back.

The Lady:

Lisa is a slim, black girl, with a very sexy bum.

The Story:

I paid for a 20 minute service, but the session was a bit rushed and owing to the heat in the room I struggled to get erect. I received covered oral, followed by sex in the doggy position. I somehow managed to come and then struggled to get dressed after getting up from the mattress.

I certainly would recommend seeing Lisa or one of the other girls (there was a choice of 4).
