The Premises:

A pleasant, nicely decorated, spotlessly clean apartment in central bathgate, easy to find but quite discreet.

The Lady:

Amanda is a BBW: lovely big cuddly body, big welcoming smile, big blonde hair, and big warm personality. She's about 5'4", big boobs with lovely nipples. A couple of small tasteful tattoos.

The Story:

This wasn't the first time I've seen Amanda, and I really enjoy her company. She immediately makes you feel welcome, and is quite chatty. Her smile is like a beam of sunlight. We sat and chatted for a few minutes, then moved to the bed and undressed each other between nice kisses and cuddles. Amanda's nipples are eminently suckable, and her pussy is sweet in looks and taste. She gives a fair massage and has a very nice oral technique.

Her website is a new one and still being worked on. It's best accessed by looking her up through PunterNet, and has some good photos, including full face.
