### The Premises:

Nice clean, basement flat. Easy to find, safe area.

### The Lady:

The girl from the photos, sans airbrushing. Unusually curvy for a Thai lady, which is a good thing. Very Cute.

### The Story:

Was running half an hour late, the gent from the agency rescheduled my appointment with minimum fuss.

Was offered a shower which I took as the weather was a little close and sticky. Had a little chat while I was in there.

After some initial awkwardness, caused solely by my laconic character, we had a nice hour together. Japan is funny and sweet and charming and fantastic at what she does. Services were offered with much gusto and a cheeky smile.
