The Premises:

Been to the building before but this time was top floor. I was knackered by the time I got up there. Busy main road but, as there are no shops or cafes nearby, you don't feel awkward while waiting to be buzzed in.

Nice big bedroom and the best bathroom I have visited so far. Very tasteful, I did think about taking pictures to show the wife but I was naked and didn't have my phone on me.

The Lady:

She is as cute as her pictures. Very confident person with a good sense of humour.

The Story:

When calling the agency my first choice is Suki but she wasn't available. April was and has good reviews so I gave her a go.

Started with a classic asian bath-time. Bath was ready with candles. Full marks for this. Gave me a good scrub down and kept a good conversation going at the same time.

Into the bedroom and we did all the normal stuff (I'm not a fan of anal so I don't ask). Sex was okay but the massage was better. The massage was so good I dropped off for 5 minutes.

She is cute, confident, can hold a good conversation but, for me, sparks didn't fly.
