The Premises:

New tower two stops on DLR from Canary Wharf. Use DLR, don't take car before 18:00.
New apartment with en-suite shower. Fair size.

The Lady:

Pretty much as she appears in the pictures on the directory site she uses. Not as skinny as I like but has fantastic tits.

The Story:

A little awkward to start. She had fallen asleep and I woke her when I confirmed I was outside. She let me in but wasn't ready for me so left me to shower while she got ready.

BBJ and tit-wank was excellent. As I said above she has the most excellent breasts. I was thinking about letting her finish me off with her tits but I wanted to finish inside her. We started with her on top, moved to missionary and finished in doggy.

Post sex massage was okay but not great. Due to the slow start before I knew it the time and there wasn't a round 2. To be honest I wasn't that bothered, it was only a fair punt. I think if she hadn't fallen asleep before it would have been better as she seems a nice girl.
