The old Ambassador Suites? Never heard of it before. Lots of blue neon lights on the way up, dull and brown once in the establishment.

Parking was easy.

The Lady:

I have seen Autumn on-line many times before, always wondered what she would be like...

The Story:

..and she was fabulous!! immediately DFK and lots of intimate stuff. The room had a ceiling mirror and OMG I did not know whether to look at Autumn with all her eye contact whilst performing the most A-MAZE-ING oral or look at the reflection in the mirror - so I did both!!

Autumn was the consummate professional and I had the best time.

In the interests of accuracy however, there was a slight smell from her lady-bits and so I am glad that i did not reciprocate the oral bit. That said, it was a great punt from a lady how gives knows her job and i would highly recommend her, albeit that she does need to take care of her personal hygiene a little more.

Service Provider's Rebuttal

The lady writes:

Not really sure what to say to this gentleman, I do wash before and after every appointment, and due to his report I did go to the GUM, over 8 weeks early, just to be 100% sure, due to my professional nature, and all is well in Autumn land.

I am sorry the gentleman felt he couldn't indulge in RO with me, or that he felt that it wasn't appropriate.

However, All past reports have all stated the contrary, and as I got checked early to clarify, All I can really say sorry you didn't have as good a time as you hoped to have.

I won't offer you a service on the house, as you don't wish it, so I will leave it as that.

Autumn.
