The Premises:

Adequate flat on a not-too-scary estate in a suburb of Kingsbury about a mile from the tube. Tedious to get to by car and even harder by tube.

The Lady:

Late teen looking hispanic cutie. Photos on her site are accurate, though unflattering. Prettier in real life. 11/10 for looks.

The Story:

Hot as f*ck looking petite extremely fit young spanish girl with decent English and a surprisingly sparky personality. Says she is 20 but looks younger. However, don't expect a GFE. This girl is in it for the money and doesn't hide the fact. Her absolute top priority is to get the punter to come as quickly as is humanly possible - which, to be fair, is not difficult with this girl (I did well to last 90 seconds). But no kissing of any kind on offer. Reverse oral is prohibited. Anal? Don't make me laugh. Vigorous and indisputably effective hand job but done with the subtlety of a vacuum cleaner. Still, hot looks make up for a lot and cheap at the price.
