The Story:

had been meaning to see Kelly for a while and she didn't disappoint

once the formalities had been sorted out I quickly had Kelly on her knees with her tits out, nice owo and tit wank in front of the full length mirror, knew i wouldn't last long so switched to the bed and sat astride her inserting my cock back between her boobs, few more strokes then unloaded over her face, she then sucked me dry

good chat and a drink then onto round 2, dressed in a air stewardess outfit, missionary anal followed by hard standing doggy anal in front of the mirror, then anal rc on the chair, more anal doggy then she got on her knees to take facial number 2, nice bj clean up, great pse stuff

had to have one more go before the time was up, so more oil onto those boobs and another great bj, lots of eye contact and dirty talk and tit wank followed by a surpisingly large cim and facial, again sucked out the last few drops

great girl who loves to fuck and isn't shy taking a few loads!

thanks Kelly
