The Lady:

Christy is 33 years old, 5'3" tall with long blonde hair, a pretty face and a lovely figure. She is also very relaxed and friendly and has a wicked sense of humour.

The Story:

I found Christy's details and photos on another site and decided she was just what the doctor ordered. She greeted me wearing a short, tightly fitting black slip, shoes and nothing else. Smiling and very friendly from the start our hour together was truly one to remember.

She French kisses for England (or should that be France?) and gives of her body freely. Lovely breasts and bottom with a cute, shaved fanny, she also gives an expert BJ and is proud of that fact. We started with OWO then progressed to 69 before round 1 in missionary position.

We then relaxed and chatted and joked for a while before round 2. This included more 69 and finished in the scissors position with another great climax for both of us.

Christy does not clock watch and if you are clean, smell good and treat her as you would want to be treated yourself, I guarantee she will enjoy it as much as you will.
