The Story:

I arrived a bit late because of parking problems but had kept the receptionist informed and was told there was no problem. As I was a bit sweaty, I suggested that I should take a shower and was told that they appreciated my attitude. I then met Karla who is very fanciable and was told that the "basic" service was ?70 for half an hour, OWO was an additional ?30 and reverse oral another ?10. If I hadn't been feeling so horny, I would have walked out but with some reluctance I paid over ?110. After a quick shower, Karla told me to hurry up as I had only 20 minutes left! This despite the fact that she said I was her first client that day and there was no suggestion that another client was booked in after me. She then told me that no kissing of any sort was on the agenda. All this had thoroughly killed my libido. Her attitude during RO was reluctant boredom, her OWO was very perfunctory, shallow, with more hand than mouth and no licking, just a quick suck. I was surprised that I could still get it up but did manage to complete my shag. I was still back on the street well inside the 30 minutes, including the time taken for the shower. No matter how good looking the girls, I would never visit this establishment again.establishment again.
