Another supposed Malaysian lady, most likely Thai. About 5'7, long brown hair, smallish breasts (B cup, maybe) with upright nipples, very slim build too.

The Story:

As the more experienced punters will tell you, these Oriental places tend to be a bit hit-and-miss, especially as u never quite know who u'll meet on the day. Took my chance after a long day of work.

First thing I noticed is that the only words of English she knew were "Thank you darling", "hello", "how long?", in a nut shell, I was resorting to sign language! Maid had to step in and act as translator in the end. So, I decided to go for the value option.

When she returned, we undressed, got me hard sharpish by kissing my nipples which I like, covered me and got some decent oral, nothing special.

Then mish, her riding n finishing in doggy. She was on the quiet side n I had to stimulate myself a little towards the end.

Overall, I got exactly what I paid for. Average punt really, might have been different if I went for VIP option.
