### The Premises:

Lotty usually entertains in her own house in Chessington. However, on the day I wanted to see her, this was not an option, so Lotty booked a hotel room for us in Kingston. It was fine for our purposes.

### The Lady:

Brunette, early 30's, size 8, 34B boobs. Pretty without being stunning. Lady-next-door type.

### The Story:

Lotty greeted me wearing exactly what I had asked for (an outfit I had spotted on her profile which she was very proud of) and once the finances and shower were sorted, wasted no time in getting down to business.

We started with a long bout of French Kissing whilst fully clothed. Lotty kisses very well and I am happy to say this went on for some time before I eventually started to undress her - and discovered that her knickers were already sopping wet. Gents, I am delighted to report that Lotty really gets into the sex and is very much a gusher. After some mutual oral, I frigged Lotty to her first orgasm and was amazed at how wet the bed had become already.

On went a condom and we had sex in many positions, both on the bed and off of it, again with Lotty really enjoying it. Keen to see how much she could gush, we took a break from intercourse and I slid a couple of fingers inside her and worked her up to another amazing orgasm with lots of juice being produced. Eventually, I could wait no longer and we returned to full sex and I eventually came in missionary on what seemed to be the last couple of dry square inches of the bed. Whew, what an hour (and a bit).

Lotty is a lovely person, chatty and friendly and is in no way a clock watcher. For those readers who are keen to try a real bona fide gusher, I would have no hesitation in recommending her.
