The Lady:

Millie is a beautiful young black woman with impressive enhanced breasts and a lovely small bottom. Her lovely face has a serenity about it that is very engaging and matches her personality.

The Story:

Wow, this was good.

I don't know how I hadn't seen Millie before but the obvious reason is not having been going to MK recently so not keeping up with the staff there.

From Millie's first entrance, I knew here was a lovely and friendly girl who I was obviously going to have a good time with.

A cuddle soon involved some kissing and hand roaming as well as easy conversation from the start. Millie's breasts are well done and her stunning red hair is not all her own, but the whole package came across as real rather than false.

The oral was extremely good and when it moved into 69, getting up close and personal to that bum as well as the other bits was divine.

Then the sex was as good as it had promised to be and it was gratifying that Millie was fully involved and responsive.

A brilliant time, simply brilliant.
