### The Premises:

A tiny, dingy but relatively clean flat. About a 10 minute walk from Victoria station. Very safe area of town. She lives with another escort.

### The Lady:

Paige is a fake platinum blonde, 5 foot 8 and a size 10. She is slim, about a size 10. She's listed as 30 years old, but I'd say she is easily 35.

### The Story:

This was probably the worst punt of my life. She's listed on \*\* as well, and has listed OWO, FK, GFE, etc. on her profile. However, during the visit I never got any of the services mentioned. She lives with another escort, who also had another bloke over. Not exactly the best way to get you in the mood.

She started with a decent massage, then moved onto very subpar oral in which she never got anywhere near the tip. She slipped on a condom for the rest of it. Jumped on top of me with some rocking back and forth, then started complaining about me being lazy. A little bit more covered oral before I got fed up and left. I have never walked out on a punt in my life, but that bad!!!

Don't waste your time or money with this escort.
