The Premises:

The house is in a very safe area, with good parking felt totally at ease, and like celly the house is immaculate, he attention to detail is first class in the the things she wears and the things she provides.

The Lady:

I Have been seeing Celly for nearly a year now, and is the best of all the ladies that i have seen in years; and unlike so many out there is totally HONEST and fun to be with; and the services which she provides are second to none, from the moment i walk through the door she gives 110 % at all times, and i never feel rushed at any time.

Celly has turned all my fantasises into reality, and with celly if you can dream it; she can turn it into reality, and she always gets the balance prefect, leading to total satisfaction and ultimate pleasure for both of us, and over the last year i have done things which i didn't think were possible.

The Story:

Saw celly on saturday morning and what a way to spend it, we had a bit of idea what we were going to do, and had planned a role-play, but now we tend to go will the flow which happened on saturday which, celly entered the bedroom dressed in a black dress seamed stocking and killer heels and looked absolutely stunning and smelt divine, on removing her dress, she had a black basque on which added to the excitement, we then retired to the bed and what happen was again fantastic, when celly gushes; boy does she gush.

Then it was celly's turn to surprise me, and boy did she, taking me to new heights yet again, she can do things with your cock that i have never had done before; and her oral skill are truly fantastic, after a little rest kissing and teasing we finished off with the most mind blowing sex i have ever had in a life time, it just gets better and better, cant wait for next time, which will be soon.

Celly then run a shower for me, and provided towels and shower gels, which were excellent, and a bonus help me dry my self which again was a brilliant end to our meeting, celly always exceeds my

wildest dreams and leave totally fulfilled.

This is one very SPECIAL LADY treat her well, i will be back very soon.
