### The Premises:

Grim looking very run down, old sheet draped across the door.

Very busy Rd and a tad exposed.

Interesting pricing policy, including ?20 for ten minutes. I thought in this heat I will need at least 15.

### The Lady:

Reasonably pretty in a girl next door way, although carrying soe extra weight. Much better than the other surly one on offer.

### The Story:

The old maxim that you get what you pay for rings through here. I should have know better when the dont list was trotted out,no touching ,no kissing, I think breathing was alloed as long as it remained inaudible.

I have had some real vfm sessions with Polish girls, but these 2 let the side down badly including calling time almost 3 minutes erarly just as I was reaching the final furlong.

Avoid.
