The Premises:

A nice discreet terraced house in a safe area of Derby, quite close to the town centre. Parking was easy.

The Lady:

Natashe has a web presence unde rthe handle Natasha1977. Her pictures are very accurate, but she's much more attractive face to face. She is about 5'7" tall, slim, tanned, blonde hair and she has a lovely figure

The Story:

Had some good, but quite reserved communication from Natasha while trying to set up our meeting. She opened the door to me in a fantastically revealing tight white dress and pink hooped stockings, whcih really accentuated her sexy fugure. We chatted for a little while and Natasha is really down to earth. I had a quick shower and followed her upstairs, she has a very sexy bum.

Once in the room, she became quite uninhibited, and we french kissed deeply while exploring each others bodies. Various shapely bits were exposed by her skimpy dress, and soon we were indulging in some nice foreplay; mutual masturbation and licking and sucking, moving into face sitting and 69. Natasha has a lovely touch and gives very good head. We finally put the condom on and had very nice sex in several positions finishing with Natasha bringing me off over her stomach.

This was excellent value for money and a really delightful, sexy hour with a very sexy, confident woman, and I will definitely return during one of my many Derby visits
