The Premises:

She text me her house name and got flat no once I was near to the building.Felt safe as it was day , about 5 mins walk from tube station.

It was very hot day 32c and needed shower before the event.She had nice tidy room and attached bath with all toiletries

The Lady:

Quite tall and opened door with black sexy mini dress and high hills.She looked so sexy ,I just wanted her.Sorted out her present and took cool shower.

The Story:

Stood with deep FK and my hands started to wonder south and discovered she had no knickers on.Ate her wet pussy till she shuddered and her hips started pumping up and down,It was time for raincoat and shagged her in mish punctuated by deep FK.She is a real kisser taking your tongue out wow wow.First round went straight into her mouth half swallowing half on tissue.Made small talk about Poland where she comes from and was ready for second round.This time she climbed on me rode till she came but was too hot to continue,so she sucked me dry ,had no love juice left.Finished with shower and left happy man.wished she had air con,guess its too much ask!!!
