The Story:

Booked for another lady but found out she wasn't well before I depart, so I switch to Sophie as the receptionist recommended. She looks very good, so I decided to extend from 30min to 1hr. But it turned out to be a not very enjoyable experience. The flat was steaming hot which made me sweat a lot and it seems this lady doesn't enjoy her work. Very passive and her attitude really couldn't turn me up. To make things worth, although there was still 15 min left, she said "I don't mind if you want to leave now". To be polite, I put on my clothes and left. This is not my first time with this agency. The previous experience was really good. I won't stop using this agency, but I won't go back to this lady.
