The Premises:

A clean apartment within a few minutes walk of the tube station. Straightforward buzzer arrangement. Felt very safe.

The Lady:

5'8" or 5'9". Pretty, busty and blonde. The agency's pictures are mightily photoshopped, but she's still a very attractive proposition.

The Story:

I asked to shower on entering the apartment and Sweety obliged. I'd had a fairly unpleasant experience earlier on in the day and I initially thought things were going to continue in much the same way, as Sweety hadn't done much smiling when I entered, but when I got out of the shower, she helped pat me down and we started to chat. She's a lot of fun, actually. Her English is pretty good and I began to relax and the bottom line is I had a really good time.

There was no French kissing - I've got a beard and I'm not sure I'd want to kiss that! - but she was really gentle and lovely. She's got a gorgeous smile (her eyes do that whole twinkly thing) and a knockout body to boot. The sex was great and she was happy to chat with me afterwards. At no point did I feel she was clock-watching or disinterested in me. In short, she was just what I needed on that day - which was not a full-on 'porn star experience', but something more intimate and tender. And, if that's what you're after, then I have no hesitation in recommending her to you.
