The Premises:

Unprepossessing from the outside - but wonderfully clean, and very tastefully decorated, inside. Not in Wellingborough's most salubrious areas (if indeed it has any) but felt safe enough in the middle of the day, easy to find, easy to park.

The Lady:

Crystal is of Afro-Caribbean descent (I think) and is attractive and very well put together - pretty much ticks all the boxes.

The Story:

Well, first the bad news. This was my first ever proper punt - and no matter what the lovely Crystal did, one of us just wouldn't stand to attention. And believe me, Crystal tried her hardest. Talk about dying of embarrassment, though... But Crystal was sympathetic and understanding, using a number of toys which were very relaxing - but, unfortunately, not effective in waking one of us from his sleep. That said, I had some interesting and enjoyable first time experiences and, despite the frustration, spent a very relaxing hour in the company of a very charming lady. There's no question, she's very good at what she does, and failings on my part were in way attributable to Crystal.
