The Premises:

candy has a very private apartment which is nicely tucked out of the way with nobody overlooking and a very discreet alleyway so no prying eyes, i felt very safe and her apartment is immaculate

The Lady:

candy is a very very attractive lady she is tall and slim lady with legs that go on and on and on and on, she has perfectly formed breasts with nipples that stick out like chapel hat pegs, her long blonde hair and her bright blue eyes made her look like a porn star and believe me she was

The Story:

candy was insatiable, she was incredibly horny but very loving with it and kissed every part of my aching body, i was massaged to the point where i needed her to have her wicked way with me so she soon took me and gave me what i needed, i was blown away by her sexual appetite and her loving kisses equally
