### The Premises:

Great apartment, used this agency on many occasions before. Location and communication with agency is always great.

### The Lady:

Fairly pretty, corresponds with picture on site.

### The Story:

As mentioned I have used this agency previously and always been more than impressed with the calibre of ladies-they have 4-5 absolute gems, which has perhaps added to my disappointment this time round. Slightly snide, definately inexperienced. I could still smell (and see the remnants) of the bag of crisps she had recently eaten.
