The Premises:

In council block near North End Road - nearest tube is West Ken. Was clean and had shower with hot water and clean towels. shared with another girl who I didn't see. Felt safe enough.

The Lady:

Tall, blond, foxy girl, probably about 5'10" in heels and taller than me without them. Gorgeous girl - the sort that you see out and about that you know wouldn't look at you otherwise. Great figure - large breasts and nice bum. Nice girl - intelligent Polish student.

The Story:

Started with a bit of FK ,and then gave her a massage that gradually moved to me masturbating her to a noisy climax. You naughty boy she said, that was fantastic! I enjoyed it too.

I get a bit stuck after these situations in knowing what I want to do next. I licked her lovely pussy and then once I'd got a rubber on, went to oral and then sex in doggy, pausing to lick her fanny from behind, and coming in mish.

Afterwards I wished I'd got her to dominate me a bit, but there's always the next time.
