The Premises:

The well known house not far from the main shopping area, with loads of parking nearby. The house as always was well presented and the room was spotless further enhancing the reputation of an excellent establishment.

The Lady:

Caitland is a short blonde haired lady with a number of tasful tattos in discreet locations on her lovely frame. She has enhanced breasts and a fantastic arse that I could stare at all day. She was dressed in a very sexy blue/black bra and g-sting combination with fish net hold ups, high heels and micro fish net mini dress.

The Story:

I arrived slightly early and was offered a seat in the kitchen whilst the room was being made ready, Caitland was in the kitchen with Hannah and Holly both very good looking girls who welcomed me with very nice smiles. Once in the room we sorted out the paperwork and got down to some very energetic fun. She loves RO and was a pleasure to go down on, culminating in a noisy orgasm on her part. She quickly returned the favour and in no time I was sampling some wonderful CIM.

After a little rest and a chat, she can talk with the best of them but is a very interesting and funny girl who you can talk to over a wide range of subjects. Caitland gave me a really nice massage which soon truned to the inevitable main event. I won't go into too much detail but it was mind blowing to say the least and left me smiling for quite some time after!

I will most definitely be returning at the earliest opportunity, thanks babe xx
