My hotel

### The Lady:

Tall elegant glamorous brunette. With a lovely wide smile. Dressed with a look of 1950s chic, through to the elbow length gloves.

### The Story:

This the first time I met Dexi, it was through Amber, who I know well, as they have recently become great friends. And I can see why they are so great together.

Boy was I the most envied man in Manchester.

Dexi is dominant in character and we had a terrific party up to all kinds of kinky stuff, with lots of toys and things. A brilliant time for me with two really sexy fun loving girls.
