The Lady:

Petite and very friendly, easy going mature lady with a fabulous figure.

On the phone she sounded really bubbly and asked what I would like her to wear which she duly obliged.

The Story:

You are treated like a long lost friend, given a drink and very easy to chat with.

This lady is really something else, her oral skills are superb and she has a wonderful body with great tits and a lovely tasty smooth pussy that gets wet readily...she seemed to enjoy my oral?

Cumming twice was no problem..first orally and later with some furious fucking she really knows her stuff...very good indeed!
