### The Lady:

Petite and very friendly, easy going mature lady with a fabulous figure.

On the phone she sounded really bubbly and asked what I would like her to wear which she duly obliged.

## The Story:

You are treated like a long lost friend, given a drink and very easy to chat with.

This lady is really something else, heroral skills are superb and se has a wonderful body with great tits and a lovely tasty smooth pussy that gets wet readily...she seemed to enjoy my oral?

Cumming twice was no proble..first orally and later with some furious fucking she really knows her stuff...very good indeed!
