The Premises:

Teniis on and so quiet. On the rad level and so a bit obvious. Parked around side street. Greeted by receptionist via a buzzer and discussed options on a chartboard through a plastic window. You pay in a little rectular hole lower down the window. Said 3 ladies were in and was pleased to hear Lucky was free. ?60 would appear to buy me body to body oil massage for 40 mins.

The Lady:

Of the 3 ladies paraded at my requested Lucky was the one, of the other thai ladies, one was overweight and tatoed and the other was also overweight and looked bored. Lucky seemed to me to be in her 30's slip figure, 32b with height i think of 5ft1in. Natural breasts though a little flabby with pointy nipples.

The Story:

Good oily massage followed by rubbing her breasts all over my back, not repeated on the front. Mentioned extras and full sex and BJ would cost another ?50. oral was nothinbg special and she was tight with her pussy and in time, that was very good. She is small and petit and i was very gentle with her. Sadly kissing was not offered. A nice touch was showering together at the end. Overall good though pricey for time allowed. Location is not brilliant and so not keen to come here again especially if their Lucky star is not around.
