The Story:

I called on the Saturday to book a session with Jessy but was told by the helpful receptionist/maid that Summer was working instead. I had seen Summer's profile so happily accepted.

I was really nervous as this area (dominant) is not normal for me but am keen to explore new things. When I arrived was met by the maid who gave me a drink and said I had to wait about 10 minutes (time to fret and worry - ha).

Met Summer who was really charming/friendly, I explained this was new to me and I had a role play in mind, she put me at ease straight away and checked a couple of details.

Summer is a much better actor than me and ensured all ran smoothly (added some fun twists), she came out of character a few times to ensure I was alright and to make sure I was enjoying myself! Well enjoy myself I did and I now have a brand new fetish to explore!!

Thanks Summer.
