The Premises:

the studio is in a discreet area of city centre with a car park at the side.inside is clean and tidy with a warm and friendly atmosphere.

The Lady:

a tall slim lady with long black hair and the most amazing pair of legs i've seen in a long time.

The Story:

having had a shitty morning and found out i was about to have a shitty afternoon i phoned the studio to see if they could see me within the hour.i was told over the phone that kat was the only girl available at that time so i agreed.once i arrived i was nervous as i've never seen kat before but that changed when she walked into the room.kat was wearing a black corset,black thong and fishnet stockings(i love fishnet stockings)and i was knocked for six.kat gave me a friendly chat ,lovely massage , mindblowing owo and amazing sex!!!.i was offered the use of the shower but i refused.for me once again the studio pulled out all the stops for an experience i will not forget.
