### The Premises:

Lockaway rooms behind a bonafide massage spa. Cluttered, cramped but tidy. Otherwise secure and safe to enter.

### The Lady:

2 girls on duty plus a mammasan. "Shampoo" was a sweet looking Thai, petite with a figure that was thick not slim. Her attitude was lovely.

### The Story:

The mammasan here is a weird one and basically ruined what could have been a very nice massage with happy ending. Firstly she tried to over-charge me for the half-hour then when I looked as I was about to leave she quoted the proper hr deal (20 more than the half!) Shampoo spent a good while (almost too long) on a good massage and was chatty in a pleasant way.

We finally moved on to more intimate matters and I was entertaining her with my ministrations in 69 and she apparently came a couple of times, nearly breaking my neck when she clenched her deceptively strong thighs.

However before we could really get into the finale "mamma" stuck her head in the door and started babbling in Thai about time up. I offered to pay for another half hr and she insisted on the money being handed to her then rather than to Shampoo at conclusion. I had to dismount in order to oblige.

Not 15 mins later she stuck her head in the door again claiming time up. Shampoo was obviously very embarrassed by all this but couldn't/wouldn't do a thing to make things right. I went for a shower and got dressed whilst "mamma" busied around the room.

So having paid for 90 mins I was out the door after 70 (I checked my phone and compared to last time I called before entering)

AVOID the establishment. Shame the girl (who's going home for a holiday) doesn't work anywhere else.
